

GreySeries lever hoist

- Made by Dolezych
- DIN EN 13157
- With load pressure brake
- All hooks with safety snap & can be rotated through 360°
- Solid precision gears
- Powder-coated housing
- Electrocoated (E-Coating) chain
- Optimised weight
- Freewheel for quick pull-through of the unstressed chain
- Fast delivery of replacement parts
- Reliable & low maintenance
- Also suitable for load securing as it has no overload protection

E-Coating of the chain

- Environmentally friendly painting process
- Good corrosion protection
- High longevity
- Uniform coating

Item no.	Load capacity t	Chain dimension d x p in mm	Number of chain strands	Hub m	Weight approx. kg
96 – 0897 9807	0,75	6 x 18 – T	1	1,5	7,7
96 – 0897 9815	1,50	8 x 24 – T	1		11,8
96 – 0897 9830	3,00	10 x 30 – T	1		21,0

GreySeries chain hoist

- Made by Dolezych
- DIN EN 13157
- 2-step transmission gearbox
- Hardened cogwheels and pinions run on roller bearings, to reduce friction losses and increase efficiency
- All hooks with safety snap & can be rotated through 360°
- Powder-coated housing
- Electrocoated (E-Coating) chain
- Operating chain in 3,0 m
- Optimised weight
- Freewheel for quick pull-through of the unstressed chain
- Fast delivery of replacement parts
- Reliable & low maintenance

E-Coating of the chain

- Environmentally friendly painting process
- Good corrosion protection
- High longevity
- Uniform coating

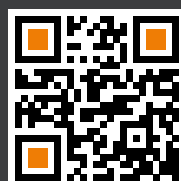

Item no.	Load capacity t	Chain dimension d x p in mm	Number of chain strands	Hub m	Weight approx. kg
96 – 0897 9905	0,5	6 x 18 – T	1	3,0	9,3
96 – 0897 9910	1,0	6 x 18 – T	1		11,4
96 – 0897 9920	2,0	8 x 24 – T	1		18,5
